

Alternative Gifts International is a Wichita based non-profit organization that inspires support for humanitarian and environmental causes. We offer donors the option to designate charitable gifts through carefully selected agencies, in the name of their relatives, friends and associates.

What can you do to support local food banks or shelters?

Ask your market committee members to nominate a local shelter or pantry for an AGI grant!

Give an alternative gift of food, medicine, livestock or education, in honor of a friend or relative. These gifts will be sent to areas with great needs around the world and here at home.

When you purchase alternative gifts, you can order greeting cards with gift inserts describing your gift. These cards create a shared blessing for both the donor and the recipient.

We believe we are changing the world one gift at a time. These gifts empower the poorest of the poor on our planet to sustain life and to build a future for subsequent generations. People of all ages, races and faiths unite to share the joy in giving or receiving an alternative gift.

It's AGI's 30th Anniversary!

Help more people in need:

Do you know a company or person who will match the funds raised for projects at your market?

It's a great way to **double your market impact!**

You can display the tent card included on your market material CD at the booth stating (*XYZ Company or individual*) will match funds raised for this project.
